## SPECIAL QUOTATIONS

"The Bingham Seed Company warrants to the extent of the purchase price that seeds sold are as described on the container within recognized tolerances. Seller gives no other or further warranty, expressed or implied." All contracts subject to delays and contingencies beyond our control.

As we indicated on our last list, many items were short. Since then our demand has been so great on clover, lupine, oats, rye, Pensacola Bahia, etc., that these have been exhausted. Our cost has been increased, consequently we have had to change our prices accordingly. We suggest you consider your requirements now and place your order. The only two items that are not short are Rye Grass and Bermuda Grass.
